

NATIONAL PHYSICAL SCIENCE CONSORTIUM
APPLICATION FOR UNIVERSITY MEMBERSHIP

To apply for membership in the National Physical Science Consortium, please complete and return this form.

Statistics on your minority population: Total student population: _____
African American _____ Hispanic _____ Native American _____

What is your:

Carnegie Foundation Classification? _____

National Science Foundation Classification? _____

Annual Research Funding in the Physical Sciences? _____

Please check below to note in which fields university has graduate programs:

Field	Master's	Ph. D.
Astronomy		
Chemistry		
Computer Science		
Geology		
Materials Science		
Mathematical Sciences		
Physics		

Please list the number of graduate degrees awarded in the last 10 years in each field:

Field	# Master's	# Ph. D.
Astronomy		
Chemistry		
Computer Science		
Geology		
Materials Science		
Mathematical Sciences		
Physics		

LETTER OF INTENT

_____ (name of university)
by execution of this letter, indicates its intent to join the National Physical
Science Consortium. The university agrees as follows:

1. To enroll such graduate students as meet the admission requirements of the institution up to a maximum of _____ (university determines) each year.
2. To provide the cost of tuition and fees for the said graduate fellow(s).
3. To continue to support said fellow(s) as long as they are students in good standing, up to the duration of the fellowship, which may vary from three to six years.
4. To provide each NPSC graduate fellow with a mentor.
